7 - Spelling Rules

RULE NAME	RULE
I Before E Can't Fool Me!	I comes before e except after c, or when I hear the long sound of a, as in weigh and eight.
Two for One	Nouns that end in ch, sh, x, z, use es to form the plural. Many words that end in o also add es.
O-o-o Say Can you Spell?	For a noun ending in o that has a consonant before it, form the plural by adding es. For music words that end in o just add s to form the plural
F-f-f-frustrating!	To form plural for nouns ending in f, fe, or lf, change the f to t and add es.
A Little Bit Goes a Long Way	A prefix is a word part added to the beginning of a word. While it changes the meaning of the word, it does not change the spelling of the base word
The Never Ending Suffix	A suffix is a word part added to the end of a word to change its meaning. Suffixes can often be added to words without changing the spelling of the base word.
Beware of Double Trouble	If a one or two syllable word ends with one vowel followed by one consonant, then double the final consonant before adding a suffix that begins with a vowel such as ing, ed, er, est or y.
Don't Double Up	If a word ends in two vowels and one consonant, don't double the consonant before adding a suffix. If a word ends in one vowel and two consonants, don't double the consonant before adding a suffix.
Can't Spell Without Ya	When a word ends with ce or ge keep the e when adding a suffix that begins with any letter other than e y or i. If the suffix begins with e, y or i then drop the e.
E-e-e-nough	Drop the final e when adding suffixes that begin with a vowel such as ed, ing, er, able, or ous.
Y Worry?	When adding the last two letters are a vowel and y, keep the y when adding an ending.
See "y" Change!	If a word ends in a consonant and y, change the y to i, then add a suffix such as es, ed, er, ly, ness or ful. Always keep the final y when adding ing.
