## Spell Master Grade 6

Developed by teachers and reading specialists, **Spell Master Grade 6** teaches over 500 essential grade 6 spelling words as well as grade-appropriate spelling rules. The program's 34 lists teach important spelling patterns for grade 5 such as igh, ion, eigh and ough patterns. Also included in the program is a unit that covers 21 pairs of common homonyms. Additionally, the **List Editor** allows teachers to individualize their spelling program by entering their own word lists. Each activity is complemented by exciting audio-visual content that is certain to capture young minds, ensuring that **Spell Master Grade 6** will be of great help in developing students' spelling skills.

## Targeted Skills

- Spelling and Reading Skills
- Working with Homonyms
- Studying Spelling Patterns
- Comprehension and Context
- Practicing Spelling Rules

## Teacher Dashboard

The Teacher Dashboard tracks student progress throughout each program and records the percentage score for every activity completed. This feature provides an overview of how well a student is progressing and allows the teacher to identify strengths and weaknesses.

- Records students' results automatically as they work.
- Prints reports quickly and easily for sharing with parents and staff.
- Provides summary reports by subject or detailed reports by activity.
- Allows teachers to print reports for individual students or an entire class.
- Stores student marks in one central location for all programs.

# Spell Master Grade 6

## 10 - Spelling Rules

RULE NAME	RULE
<b>Two for One</b>	Nouns that end in ch, sh, x, z, use es to form the plural. Many words that end in o also add es.
<b>O-o-o Say Can you Spell?</b>	For a noun ending in o that has a consonant before it, form the plural by adding es. For music words that end in o just add s to form the plural
<b>F-f-f-frustrating!</b>	To form plural for nouns ending in f, fe, or lf, change the f to t and add es.
<b>A Little Bit Goes a Long Way</b>	A prefix is a word part added to the beginning of a word. While it changes the meaning of the word, it does not change the spelling of the base word
<b>The Never Ending Suffix</b>	A suffix is a word part added to the end of a word to change its meaning. Suffixes can often be added to words without changing the spelling of the base word.
<b>Beware of Double Trouble</b>	If a one or two syllable word ends with one vowel followed by one consonant, then double the final consonant before adding a suffix that begins with a vowel such as ing, ed, er, est or y.
<b>Don't Double Up</b>	If a word ends in two vowels and one consonant, don't double the consonant before adding a suffix. If a word ends in one vowel and two consonants, don't double the consonant before adding a suffix.
<b>Can't Spell Without You</b>	When a word ends with ce or ge keep the e when adding a suffix that begins with any letter other than e y or i. If the suffix begins with e, y or i then drop the e.
<b>E-e-e-nough</b>	Drop the final e when adding suffixes that begin with a vowel such as ed, ing, er, able, or ous.
<b>Y Worry?</b>	When adding the last two letters are a vowel and y, keep the y when adding an ending.
<b>See "y" Change!</b>	If a word ends in a consonant and y, change the y to i, then add a suffix such as es, ed, er, ly, ness or ful. Always keep the final y when adding ing.
<b>I Before E Can't Fool Me!</b>	I comes before e except after c, or when I hear the long sound of a, as in weigh and eight.
