

Vocabulary Builder Grade 3

Developed by teachers and reading specialists, **Vocabulary Builder Grade 3** provides the strategies, skills, and individual word instructions your students need to develop strong language proficiency. The program teaches how to determine word meaning by analyzing word structure, sentence context and structural changes. Helpful clues and examples, along with exciting audio-visual content, ensure that students of all learning styles can use the software independently. **Vocabulary Builder Grade 3** is an effective and engaging way to broaden vocabulary and language proficiency.

Targeted Skills

- Homophones (Homonyms)
- Antonyms
- Synonyms
- Homographs
- Compound Words
- Easily Confused Words
- Similes, Idioms & Proverbs
- Prefixes & Suffixes

Marks Manager

The Marks Manager tracks student progress throughout each program and records the percentage score for every activity completed. This feature provides an overview of how well a student is progressing and allows the teacher to identify strengths and weaknesses.

- Records students' results automatically as they work.
- Prints reports quickly and easily for sharing with parents and staff.
- Provides summary reports by subject or detailed reports by activity.
- Allows teachers to print reports for individual students or an entire class.
- Stores student marks in one central location for all programs.

Vocabulary Builder Grade 3
