

## Fun with Spelling Grade 3

Developed by teachers and reading specialists, **Fun with Spelling Grade 3** is an exciting way to build students' spelling abilities. This program uses phonics to increase accuracy in spelling of more than 370 grade 3 spelling words. The words are grouped into lists using 37 common spelling patterns such as long vowels, consonants and "r" with vowel patterns. **Fun with Spelling Grade 3** is an effective and interesting introduction to the world of spelling.

### Targeted Skills

- Spelling and Reading Skills
- Studying Spelling Patterns
- Learning Spelling Rules
- Developing Visual Memory
- Comprehension - Using Spelling Words in Context

### Teacher Dashboard

The Teacher Dashboard tracks student progress throughout each program and records the percentage score for every activity completed. This feature provides an overview of how well a student is progressing and allows the teacher to identify strengths and weaknesses.

- Records students' results automatically as they work.
- Prints reports quickly and easily for sharing with parents and staff.
- Provides summary reports by subject or detailed reports by activity.
- Allows teachers to print reports for individual students or an entire class.
- Stores student marks in one central location for all programs.
